

# NUCLEAR EXCELLENCE ACADEMY

A centralized training academy that provides modern 24/7 hybrid learning to all nuclear power employees.

## INNOVATION IN ACTION

- Turn-Key approach in providing nuclear training to the industry (in-person, digital, on-demand).
- Built for digital learners wanting a different learning path.
- Blended approach using our innovative training solutions.
- Aligned to meet all industry standards, in the US and Canada, using traditional tools (ex. VISION).
- Designed using Training expertise and industry input to meet true client needs.
- Affordable and efficient training solutions with expected outcomes defined.

## TURNKEY CENTRALIZED TRAINING
